Blanc de blancs that is characterized by being sincere, informal, young; perfect for an aperitif or toast. Created for those who seek in bubbly a relaxing moment.

TASTING NOTES

COLOUR: pale straw yellow with distinct green highlights; the bubble is fine and well amalgamated.

AROMA: is elegant and refined, expressing hints of white flowers and aromatic herbs, all nuanced by pleasant vanilla notes, typical of pure Chardonnay.

TASTE: creamy and smooth, delicate, while retaining the typical flavor of our wines.

FOOD PAIRING: pairs perfectly with delicate dishes, finger foods and fresh cheeses because of its ability to enhance light foods.
