A wine in which we have always believed and which brings back the blazon of the renowned red wines of Gussago; considered among the most prized and in demand for centuries, well before the birth of Franciacorta. A satisfying red, very fragrant and full on the palate, without being edgy or too tannic; the perfect ripeness of the grapes harvested in the hills makes it appreciated in the first years of aging and stunning as time goes by.

TASTING NOTES

COLOUR: full and dense, with ruby-red hues.

AROMA: complex and intense aromas, with clear notes of licorice, ripe red fruit, sweet tobacco and cherries. Delicate spicy notes, occasionally balsamic.

TASTE: warm, harmonious, well-structured and persistent; red fruit, jammy and light spice notes return. Appreciated sweet tannicity.

FOOD PAIRING: recommended with red meat dishes, especially roasts and game, medium to well aged cheeses; mouthwatering with a nice Fiorentina steak!
